

J.K. Place, Capri
Capri, Italy

Along with style, individuality and authenticity, *l'arte di ricevere* (the art of hospitality) is a value that underpins Capri's most resplendent property. This chic 'clubhouse' has just 22 individually designed suites, each with splendid views of the Gulf of Naples. Staff make a stay extra special, welcoming guests as if they are family.

Raffles Singapore
Singapore

A national treasure, Raffles has been held in high esteem for over a century for its storied history and excellence in hospitality. Recently refurbished, it's celebrating a new contemporary chapter, with state-of-the-art technology, but the sense of space, old-world ambience and inimitable service remain.
